SCHEDULE KEY

- Class – Possible Lane Availability*
- Class – 1-2 lanes available
- No Class – Open Lanes

*Availability during classes will vary depending on class size and structure and is at the instructor's discretion. Swimmers are encouraged to come at times when classes are not in session.

Pool Guidelines

- ◆ Our saltwater swimming pool is available to members and guests for lap swimming, group exercise classes, water walking, physical therapy and independent exercise.
 - ◇ The pool is 25 yards in length and 3.5 feet deep with 4 swimming lanes.
 - ◇ 36 laps or 72 lengths equal one mile.
 - ◇ We strive to maintain the following:
 - Pool Temp: 83°-85°
 - Spa Temp: 102°-104°
- ◆ Health standards require showering before using the pool or spa. This helps us maintain good sanitation and water clarity.
- ◆ Lane sharing is encouraged during busy pool times. Please limit workouts to 30 minutes when others are waiting.
- ◆ There is a variety of pool equipment available for member use. Please return pool equipment to its designated space after use.
- ◆ The pool area closes 15 minutes prior to the facility closing to allow time for showering and changing.
- ◆ For safety guidelines, please refer to the pool and spa rules posted in the pool area and included in your member handbook.
- ◆ The pool is maintained daily by a certified pool operator and is regulated by the Chatham County Health Department. It is sanitized by means of a saltwater filtration system.
- ◆ A chair lift is available for individuals needing assistance accessing the pool and hot tub. Please read guidelines posted on the chair lifts before use.
- ◆ When possible, walkers should use the lane closest to the steps, reserving lap lanes for the swimmers.

Aqua Class Descriptions

Aqua Basics: Light to moderate cardiovascular exercise, followed by toning and stretching.

Aqua Challenge: Designed for the veteran aquatic exerciser, this demanding class uses water gear to give your muscles and lungs a tough workout.

Aqua Fit: An intermediate level cardiovascular class for members wishing to burn fat and tone muscles using the power of liquid resistance.

Aqua Intervals: Interval training without the impact! Cardiovascular fitness and total body strength will be challenged and improved by working in bursts of high intensity work followed by a recovery period.

Aqua Remedies: Improve joint range of motion & flexibility, muscular strength, and balance while getting the therapeutic benefits of working in the water.

Aqua Strength: Focus on muscular strength and endurance in all major muscle groups using water resistance and equipment. All fitness levels are welcome.

WAVES: A fun total body workout using a variety of movements for cardiovascular, strength and flexibility training. Modified for all fitness levels.

REMINDERS:

- ◆ *Please arrive 5 minutes prior to class start time.*
- ◆ *Classes are subject to change based on low attendance, instructor availability and facility needs.*
