-------------	--

*Denotes class that requires sign-up. This may be done no sooner than 24 hours in advance by visiting our Online Member Portal or calling our Member Services desk at 919.545.2133. When the facility is closed, phone messages should be left on the DCFL voicemail and are taken on a first come, first served basis.

Check out all the happenings at www.DukeFitnessFearington.com and visit the DCFL Online Member Portal!

DCFL Member portal allows members to:

- Electronically sign up for Wellness Seminars and Group Exercise classes requiring sign-up
- View which instructors are teaching which classes

EXERCISE STUDIO

***Barre:** This ballet inspired class provides a total body workout by blending body weight strength training and muscle conditioning. Strong emphasis on lower body, core strengthening and balance work.

Cardio Moves: This class offers a choreographed, low-impact workout. Includes 30 minutes of cardiovascular training followed by toning and flexibility exercise. Great for beginner to intermediate exercisers.

Chair Fitness: This group class uses easy to follow moves, focusing on balance, strength and coordination. While the entire class may be done from a chair, some standing options are given. Great for beginners and those with physical limitations.

CORE: This 15 minute class works to strengthen and firm your abdominal region and lower back, improve balance and stability.

Full Body Stretch: This relaxing class teaches a variety of stretches to help improve overall flexibility, mobility and posture, making many daily tasks easier and safer.

Functional Conditioning: This multimodality class utilizes TRX, kettlebells, various strength equipment and cardio drills. A challenging class guaranteed to keep you moving.

Step Aerobics: A great low-impact cardio workout for beginner and intermediate exercisers; offering fun choreography that is sure to keep you moving!

Strong & Limber: Perform strength and flexibility exercises for all major muscle groups using weights, exercise bands, bars and more.

Total Body Strength: A non-aerobic strength training workout utilizing hand weights, body bars, resistance tubing, and body weight resistance to increase lean muscle tissue, strength, and metabolism from head to toe.

***TRX Body Blast:** Engage all of your muscles with this non-stop workout that builds strength, balance, and flexibility. ***TRX Fundamentals required.**

ZUMBA®: Zumba is a Latin inspired dance-fitness program that blends international music and contagious steps to form a "fitness party" that is downright addictive!

CYCLING

***Group Cycling:** Participants are led through a series of flat roads, hills and sprints. With motivating music, this class can be challenging, but allows everyone to work at their own pace.

MIND-BODY EXERCISE

Chair Pilates: Lengthen muscles and strengthen the core with seated and standing Pilates movements. Chairs and props used in this class. No mat work.

Intermediate Pilates: This class moves at a more rapid pace and will include more intermediate level Pilates exercises. Equipment may be incorporated into the traditional flow of mat work for added resistance and challenge. ***Pilates experience is recommended.**

Mat Pilates: Practice the principles of Pilates combining proper form with breathing technique. Slow, controlled movements are used to strengthen the abdominals, back and hip girdle muscles. All levels are welcome.

Evening Yoga: Relax and unwind after a workout or a long day. Mild stretches and restorative poses release tension and re-set your nervous system.

Gentle Yoga & Meditation: Bring balance back into your body and mind through gentle stretching, postural awareness, breathing and relaxation. Great for first timers!

Power Flow: A fitness based style of yoga that emphasizes full body strength and flexibility using basic, intermediate, and advanced postures.

Saturday Yoga: Rotating instructors will offer a variety of yoga including Therapeutic, Anusara and Vinyasa Yoga. The monthly schedule is posted on the studio door.

Vinyasa Yoga: Yoga poses flow from one move to another in conjunction with the breath. A comfortable pace will encourage each student to work within their own levels. ***Yoga experience is recommended.**

Yoga I: Learn proper alignment, beginning yoga poses and breathing techniques. Great for beginners!

Yoga I and II: Learn beginner to intermediate poses and breathing techniques while focusing on strength, flexibility & balance. Alignment based approach is offered with modifications and props as needed to realize the full benefit of each pose. A basic knowledge of yoga is helpful but not required.

Yoga II: Class focuses on an intermediate practice, including standing poses, while staying within a comfortable range. ***Yoga experience is recommended.**

Tai Chi: Serenity through gentle movements connecting the mind and body; used for stress reduction and to improve health, balance and flexibility.
