POOL INFORMATION:

Our saltwater swimming pool is available to members and guests for lap swimming, group exercise classes, water walking, physical therapy and independent exercise.

- The pool is 25 yards in length and 3.5 feet deep with 4 swimming lanes.
- 36 laps or 72 lengths equal one mile.
- We strive to maintain the following temperatures:
 - Pool: 83°-85°
 - Spa: 102°-104°
- **The pool area closes 15 minutes prior to the facility closing to allow time for showering and changing.**
- Health standards require showering before using the pool or spa. This helps us maintain good sanitation and water clarity.
- The pool is maintained daily by a certified pool operator and is regulated by the Chatham County Health Department. It is sanitized by means of a saltwater filtration system.
- There is a variety of pool equipment available for member use. Please return pool equipment to its designated space after use.
- A chair lift is available for individuals needing assistance accessing the pool and hot tub. Please read guidelines posted on the chair lifts before use.
- For safety guidelines, please refer to the pool and spa rules posted in the pool area and included in your member handbook.
